# Welcome

Wherefore, be not weary in well-doing, for ye are laying the foundation of a great work. And out of small things proceedeth that which is great.

-Doctrine & Covenants 64:33

Thank you for choosing to be a part of our study and family at She Teaches Fearlessly. We are a team of LDS women who are dedicated to answering President Nelson's call in the October 2015 LDS General Conference. Together, we teach fearlessly the gospel in our homes, neighborhoods and communities, and hope you will find joy and peace in studying with us each month.

Just love,

And so I issue a call for the conviction we all must have burning in our hearts that this is the work of God and that it requires the best we can give to the effort. My appeal is that you nurture your own physical and spiritual strength so that you have a deep reservoir of faith to call upon when tasks or challenges or demands of one kind or another come. Pray a little more, study a little more, shut out the noise and shut down the clamor, enjoy nature, call down personal revelation, search your soul, and search the heavens for the testimony that led our pioneer parents. Then, when you need to reach down inside a little deeper and a little farther to face life and do your work, you will be sure there is something down there to call upon.

## TIPS FOR MAKING THE MOST OF YOUR STUDIES

1. **Pray** for understanding and invite the help of the Holy Ghost.

The things of the spirit can only be learned by and through the influence of the Spirit. Each time we begin a session of sincere study, an earnest and humble prayer will greatly improve our learning and our understanding

2. **Work.** Gospel knowledge and understanding come through diligent study of the scriptures and the tutoring of the Holy Ghost.

The combination that opens the vault door to hidden scriptural treasures includes a great deal of work--simple, old fashioned, hard work.

3. **Be Consistent.**

Given the hectic pace of our lives, good intentions and simply 'hoping' to find the time for meaningful scripture study are not sufficient. Set aside a specific scheduled time and place each day.

4. And then, **ponder.**

"And upon these I write the things of my soul, and many of the scriptures which are engraven upon the plates of brass. For my soul delighteth in the scriptures, and my heart pondereth them, and writeth them for the learning and the profit of my children." -2 Nephi 4:15-16

Just as the atoning sacrifice of Jesus Christ is at the center of the plan of salvation, we followers of Christ must make our own sacrifices to prepare for the destiny that plan provides for us.

2 And as these plates are small, and as these things are written for the intent of the benefit of our brethren the Lamanites, wherefore, it must needs be that I write a little; but I shall not write the things of my prophesying, nor of my revelations. For what could I write more than my fathers have written? For have not they revealed the plan of salvation? I say unto you, Yea; and this sufficeth me.
